

2019 SOILS AND NATURAL RESOURCE WORKSHOP
Wednesday, September 4, 2019 Reid State Park

The 2019 MAPSS/MAWS/MASE Soils and Natural Resource Workshop will be held at Reid State Park in the town of Georgetown, Maine, on Wednesday, September 4, 2019 from 9:00 am until 3:30 pm. Check-in will be by the gate on the Park Access (Seguinland) Road from 8:30 am to 9:00 am. You will be given a location map to sites you are to visit.

Carpooling is recommended because of limited parking at some of the sites located beside the road. Assistants will be at most of the sites to point out the soil pits and other areas where you are to make observations (and determinations). You have from 9:00 am – 12:30 pm to visit the sites. After visiting the field sites, travel to the pavilion for a 1:15 pm – 3:30 pm discussion of the sites and soils by state, local and federal regulators and experts. **Lunch is on your own.** There aren't many places to buy your lunch in the area but there are a number of excellent places to enjoy what you bring with you including the pavilion, beaches or rocky prominences. The workshop has many interesting sites which include back sand dunes, flood plain soils, an oxyaquic soil transect with iris tubes, a new method for determining the Ksat and HSG of soils, streams, an upland to forested freshwater wetland to a salt marsh transect, vegetated stormwater buffer treatment area evaluations, where to begin measuring from for setbacks in the shoreland zone and vernal pools. These are challenging sites that will generate a good deal of discussion. Experts as well as State, local and Federal Regulators will be present to answer questions and provide valuable guidance for dealing with these difficult sites and soils. See attached workshop description for more details.

The cost of the workshop is \$40.00 for MAPSS/MAWS/MASE members or associate members and **\$50.00 for all others.**

Please send your checks, payable to MAPSS, to:
Gary Fullerton
104 Millturn Road
Limington, Maine 04049-3141

Though registrations will be accepted the day of the workshop, for planning purposes, we ask that you register by September 1. Check www.mapss.org for background information and updates.

If you have any questions about the workshop, call Dave Rocque at 287-2666 or send him an e-mail at david.rocque@maine.gov.
